August 11, 2007

Dear Friend,

As we approach the 2nd anniversary of the nation's worst natural disaster, hurricane Katrina, the Gulf Coast region continues to struggle with the task of recovery and rebuilding. Among the hardest hit, but most underserved areas were the churches and ministries of the New Orleans and surrounding areas. Recognizing the importance of the faith-based communities to the recovery effort of the region, RADCORP established the Disaster Recovery Foundation. The mission of this foundation is *"To promote and facilitate the work of reconciliation and development between the children of the African Diaspora and Africans, in the rebuilding of Christian ministries, communities and the lives of the survivors, in the hurricane ravished U.S. Gulf Coast."*

RADCORP's Disaster Recovery Foundation is hosting a Special *"Rebuilding the Walls"* prayer breakfast on Saturday, August 25, 2007, 8:30 AM, at the St. Christopher Best-Western Hotel, 114 Magazine Street, New Orleans, LA 70130. This event is free and will feature a panel discussion and a tour of some of the churches in the New Orleans and surrounding areas. Would you be our guest on this day and join us as we pray for God's leadership and directions in the recovery of the Gulf Coast.

Since space is limited, please RSVP by Monday, August 20, 2007. This event is open to ministry leaders and spouses, but we are unable to accommodate children. Contact me (**phone-225-572-1186 or email-elmow@cox.net**) as soon as possible to advise us of your plans. We hope to see you on August 25th. Please see the enclosed flyer.

In His service,

Elmo Winters
